Descriere KB Ammos

Welcome to KB Ammos, the epitome of contemporary luxury living in Skiathos. In our 18 rooms and suites, guests relax in an idyllic setting where modernity meets nature's bliss. Cutting-edge design and minimal yet charming interior décor inspire you to lay back and enjoy fully personalized services and high class accommodation standards. KB Ammos is an environmentally friendly hotel, implementing eco practices that maintain a unique character of unspoiled natural beauty in perfect alignment with the surrounding area. Stone and metal are wonderfully fused with earthly white, beige and grey tones. The fully innovative KNX modern electrical installation technology adds to the special character of each room and suite. Everyday living environment in our boutique hotel is easily adapted to the individual needs of guests, ensuring absolute control over a spectrum of applications ranging from lighting and shutter control to heating, ventilation, energy management, and many more. Set in an exquisite location, each room and suite boasts an impressive private Jacuzzi and an ample balcony or terrace with views to the lush garden or the shared pool. KB Ammos is located within walking distance to the Megali Ammos beach and the town, enabling guests to dive in the crystalline waters of the Aegean and discover the enchantingly vibrant life in the heart of Skiathos, without spoiling that precious sense of absolute tranquility all around.
